

Lab 0: Environment Access

Before Workshop

1. Create an IBM ID

1.1 Create an IBM ID if you do not have one using [IBM ID Sign Up Form](#). **Use the same email id that you have registered for the workshop with.** For more details, see [Documentation: Creating an IBM ID](#)

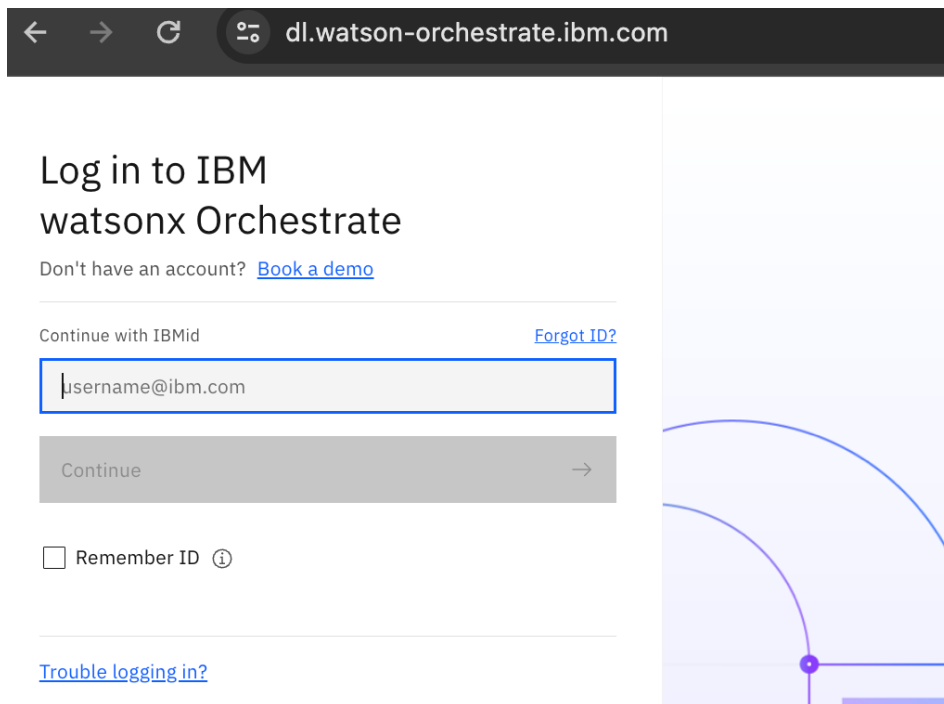

2. Get Watsonx Orchestrate Access

2.1 This ibm id will be added to the orchestrate instance for access by your workshop host.

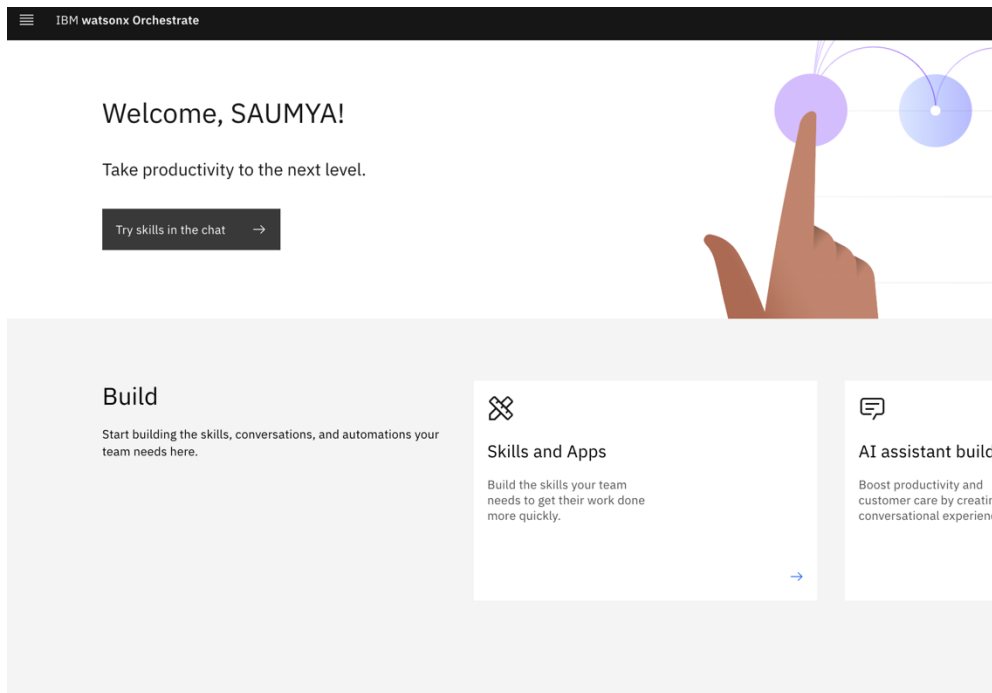

During Workshop

1. Login to Watsonx Orchestrate

1.1 Login with your IBM ID credentials: <https://dl.watson-orchestrate.ibm.com/> to see the home page.

The screenshot shows a web browser window with the address bar displaying "dl.watson-orchestrate.ibm.com". The page content includes the heading "Log in to IBM watsonx Orchestrate". Below the heading, there is a link "Don't have an account? [Book a demo](#)". A section titled "Continue with IBMID" contains a text input field with the placeholder "username@ibm.com" and a "Forgot ID?" link. Below the input field is a "Continue" button with a right-pointing arrow. At the bottom of the login section, there is a checkbox labeled "Remember ID" with an information icon. A link "Trouble logging in?" is located at the bottom left. The right side of the page features a decorative graphic with blue and purple curved lines.

2. Download Lab Files

2.1 Download workshop content from here: <https://github.ibm.com/watsonx-apac/digital-labour-workshop>
